EXTRA.**2 O'CLOCK.****ST. MICHAEL'S WAS ON FIRE.**Father Gleason's 1,400 School
Children Marched Out Safely.Flames Started in a Storeroom and
Spread to the Church Roof.

Fire was discovered in the four-story building adjoining St. Michael's Roman Catholic church this morning and for a time it seemed as though this noble edifice, together with the great school attached, were doomed.

St. Michael's church and the school cover seventeen city lots, and there are entrances to the church on Ninth Avenue, on Thirty-second and on Thirty-first street.

Aiding in the parochial school, and here there were 1,400 children learning their lessons under the guidance of thirty-five teachers.

Janitor John Wilkinson, who lives on the upper floor of the building at 414 West Thirty-second street, which is used as a storeroom for the school and the church, discovered fire on the fourth floor and sent out an alarm.

The danger to the school was appalling, and four alarms were hurriedly sent in.

Father John A. Gleason, the pastor of St. Michael's church, entered the school and an alarm bell placed there for the purpose.

What followed was a beautiful example of the value of training for just such emergencies.

The children of the school have been drilled daily, and at a signal from the teacher the class of smallest children arose in their places and marched out in perfect order.

They were followed by the class of children too large, and so on until every one of the 1,400 little ones had passed safely to the street.

There was not the slightest panic nor even a sign of fear among the children.

The fire meantime had extended to the rear of the church, but the firemen succeeded in controlling it at 11:45, and it was soon extinguished, having done a damage of \$100.

The church is insured for \$10,000, St. Michael's was built forty-four years ago, and the late Vicar-General, the Right Rev. Mr. Donnelly, was its pastor for many years, and down to the time of his death in March, 1880, Rev. Daniel J. Curley was acting pastor until the time when Rev. John A. Gleason became its pastor.

The church and school occupy fourteen city lots, extending from Thirty-first to Thirty-second street and filling a whole block in Ninth avenue.

MAYOR DEFIES THE JUDGE.No Interference with Hoboken's
Open Sunday Saloons.

Citizens of Hoboken are eagerly discussing the trial of the probably outcome of the clash of authority between the Mayor of their choice, Mr. Stanton, and County Judge Lippmann, of the Hudson County Court of Common Pleas, to the Sunday closing of the trial.

The Mayor failed to take any orders from Judge Lippmann in connection with the performance of his duties as Mayor.

As was published in The Evening World last Saturday, Judge Lippmann from the bench announced his determination to stop Sunday sales of liquor in Hudson County, and that he sent orders to the executive authority holders of every municipality in the county directing them to see that the saloons were closed on Sunday.

In Jersey City and some other places there was an apparent effort to comply with Judge Lippmann's order last Sunday, and several arrests were reported.

The order of Judge Lippmann was sent to Mayor Stanton, of Hoboken, and a copy was shown to either Chief Police Commissioner, or to another of his subordinates, the Police Commissioners, who gave him no instructions.

The Hoboken commissioners were defiant in tone and language. He said:

DEPEW IS FOR HARRISON.Says He Will Vote for Him at the
Minneapolis Convention.

While ex-Senator Platt is trying his best to defeat the renomination of Mr. Harrison, Dr. Charles M. DePew, his fellow delegate-at-large to Minneapolis, is doing some good alimony work for the President. He is in Cleveland at present, and in an interview there is reported to have said:

"I am glad to say that I shall vote for Mr. Harrison on the renomination of President Harrison. Of course, there are those in New York's delegation who are opposed to Harrison, but I believe that the majority of our delegates favor his renomination."
